CONTENTS

Number 152.

Insolation Hypothesis of Rock Weathering Eliot Blackwelder 97
Formation of Muscovite in Soils ..................... N. J. Volk 114
Littorina Irrorata, Connecticut ............... J. Brookes Knight 130
New Genus of Lemuroid, Siwaliks ......... G. Edward Lewis 134
Structure, Inclusions and Alteration, Deer Creek Intrusive, Wyoming .......... John T. Rouse 139
Are Trilobites Related to Arachnids? ....... Leif Störmer 147
Status of Cosmic Rays .................... Alan T. Waterman 158
Mylonites in Crystalline Rocks, Georgia Geoffrey W. Crickmay 161
Mixochoanitic Cephalopod, Iowa ............ A. K. Miller 178

SCIENTIFIC INTELLIGENCE.

CHEMISTRY AND PHYSICS

Where is Science Going? by Max Planck; 183
Tables Annuelles de Constantes et Données Numériques; 184
Annual Report, Department Terrestrial Magnetism, by J. A. Fleming; 184
Probabilités et Morphologie by A. Sainte-Lague; 185
Microénergétique, Théoretique et Expérimentale, by Pierre Bricout
Leigh Page 185

GEOLOGY AND NATURAL HISTORY

Carte Géologique Murale de l’Alsace et de la Lorraine Charles Schuchert 186
Geological Survey of England and Wales; 186
Summary of Progress, Geological Survey, Great Britain; 186
Zoological Parks, Aquariums, Botanical Gardens, by L. C. Everard; 187
Guide to British Fresh-Water Fishes;
National Museum of Canada; 187
Anhydrite in Canada, by L. Heber Cole and R. A. Rogers; 187
Brachiopod Genera by Charles Schuchert and G. A. Cooper
Percy E. Raymond 188

MISCELLANEOUS SCIENTIFIC INTELLIGENCE

Lamarck Manuscripts at Harvard ............... W. R. Cole 189
History of Agriculture in Southern States, by Lewis Cecil Gray
E. M. Coulter 190
Mining in California ............................ W. M. Davis 190
Giants and Dwarfs, by Palmer H. Futcher ............ George R. Cowgill 190
Crystallographic Angle-Tables, by C. Palache, L. LaForge and
M. A. Peacock .................................. W. E. Ford 191
Twenty-seventh Annual Report of the President of the
Carnegie Foundation of Teaching, Dr. Henry Suzzallo .......... 191

Publications Recently Received .................. 192
